- ❖ Reservations are required to book time in the lap pool.
- ❖ ***Open time is in the warm water therapy pool.***
- ❖ Maintain a clear path in pool, allowing others to move freely.
- ❖ Members are not allowed in the warm water pool during class times or physical therapy.
- ❖ No lap swimming is allowed in the warm water therapy pool.

For more information about the warm water therapy and lap pool schedule, contact the front desk at 847-535-7060.

Effective: July 8, 2024

Ai Chi

This class is similar to Tai Chi but performed in the warm water therapy pool. Learn to move through a flowing progression of slow, broad movements using your arms, legs and torso. Improve range of motion and mobility, and experience the deep relaxation that promotes sleep.

Aqua Aerobics

Splash into this low-impact cardio and conditioning class. Instructors use the latest aqua-based techniques to provide a high-energy workout that is easy on the joints. Barbells and noodles are also used for upper body and core training. Classes are appropriate for multiple fitness levels and are held in the lap pool.

Aqua Arthritis

Arthritis Foundation Aquatic Program (AFAP) classes will help you to increase joint range of motion, build muscle strength as well as help reduce pain and stiffness. Classes are held in the warm water therapy pool and in sessions. Registration is required.

Aqua Yoga

Yoga in the water is an exciting way to begin or continue your yoga practice. The feeling of weightlessness takes the stress out of challenged joints and stabilizes them to free muscular tightness and comfort. A practice of mostly standing postures (heads stays above water) are presented with props and modifications making the practice of yoga accessible to EVERY BODY. Both beginners and seasoned yogis are welcome.

Fibro

These sessions are performed in the warm water therapy pool and help manage or control chronic pain, fatigue, memory problems & mood changes. Exercises give participants a sense of well-being, increased endurance and fellowship.
